Matches, Candles, and Lighters

Directions: Using the code, color the shapes in the puzzle.

- 1 = red
- 2 = yellow
- 3 = blue
- 4 = green
- 5 = purple

Don't "brush" it off. Never touch matches, a lit candle, or lighters.

Please...
DO NOT TOUCH.

Ooh, la, la!
Matches, candles, and lighters are not bad.

They are tools for adults that can be dangerous because they can start fires. Fires can burn you. Fires can spread.

Directions: Read the pledge with an adult then sign and date below.

I Promise to:

1. always be careful around fire.
2. never touch or play with matches, lit candles, or lighters.
3. tell an adult if I find matches, candles, or lighters or see other kids carrying them or playing with fire.
4. always let an adult light a candle, campfire, or stove.
5. stop, drop, (cover my face), and roll, (back and forth) if my clothes catch on fire.

Even a small fire can be dangerous.

Never touch!
