- **Marin County Community Mental Health Services (CMHS)**
  provides a complete range of mental health services for children, adults, and older adults.

- **Services Description Brochure**
- **Our multilingual, culturally competent staff provides on-site treatment for acute and chronic mental disorders, life crises, and other disabilities that occur concurrently with mental disorders. In some instances, we provide clients with referrals to private practitioners and agencies.**

**Description of Services Provided**

**Guidelines for Effective Communication with 911 Dispatch**
We work closely with county educational, medical, criminal justice, and social service systems to make sure every client receives comprehensive care. We encourage client feedback so we can provide the best possible service.
