Emergency Operations Center (EOC)

The City of Novato EOC is a location from which centralized emergency management can be performed during a major emergency or disaster. The level of EOC staffing depends upon the situation. The City of Novato EOC is located at the Novato Fire District Administrative Office at 95 Rowland Way.

The City of Novato has an overall objective of emergency management for the City. This includes the effective management of response forces and resources in preparing for and responding to situations associated with a natural disaster, technological incidents, and national security emergencies.

The City of Novato created an Emergency Operations Plan to assist in this endeavor. The Emergency Operations Plan serves as the legal and conceptual framework for emergency management in the City of Novato.
