RESOLUTION NO. 2019-2

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
NOVATO FIRE PROTECTION DISTRICT
ADOPTING AN UPDATED CONSOLIDATED RECORDS RETENTION SCHEDULE
AND AUTHORIZING THE DESTRUCTION OF CERTAIN RECORDS

WHEREAS, the State of California and Federal Government have specified time periods for which public records are required to be retained; and

WHEREAS, it is necessary for the efficient operation of the Novato Fire Protection District (“District”) to follow a procedure for the retention of certain and vital District documents and other records; and

WHEREAS, the basic statutory requirements regarding District records retention are set forth in various sections of the California Government Code; and

WHEREAS, the systematic destruction of records that are no longer required expedites the filing and retrieval of documents needed for current operations; and

WHEREAS, California Government Code §60200, et seq., authorizes the legislative body of the District to authorize the destruction of certain documents without retaining copies, and authorizes the destruction of documents not expressly required by law to be maintained if such destruction complies with conditions specified in Government Code §60203; and

WHEREAS, by adoption of District Resolution No. 2016-6, adopted June 1, 2016, the District adopted a Records and Reports Retention Policy that complies with Guidelines provided by the Secretary of State pursuant to Section 12236 of the California Government Code, which is set forth under the Novato Fire District Policy Manual, Policy 800, Records Management (“the Retention Policy”); and

WHEREAS, Section “800.8” of the Novato Fire District Policy Manual provides general administrative guidelines for the destruction of specified records; and

WHEREAS, Appendix A of the Retention Policy comprises a list of categories of records and a record retention schedule; and

WHEREAS, the District wishes to update Appendix A of the Retention Policy to reflect new retention periods for various classes of records as reflected on Exhibit “A” to this Resolution, and to expressly authorize the destruction of records if such destruction complies with the updated records retention schedule adopted as Exhibit A to this Resolution, the standard protocol established by Section “800.8” of the Novato Fire District Policy Manual, and has been approved by the relevant Division Head on forms approved as Exhibit B to this Resolution, with a corresponding Certificate of Destruction to be kept in the permanent file; and

ADOPTING AN UPDATED CONSOLIDATED RECORDS RETENTION SCHEDULE
AND AUTHORIZING THE DESTRUCTION OF CERTAIN RECORDS

WHEREAS, it is understood that no records will be destroyed if they affect the title to real property or liens thereon, are court records, or are the original minutes, ordinances or resolutions of the legislative body of the Novato Fire Protection District or any Novato Fire Board of Directors or Commission; and

WHEREAS, it is understood that the District Counsel will be consulted concerning specific records retention requirements when there is a District record for which no reference in the Novato Fire Records Retention Schedule seems to apply.

2. Approval of Destruction of Documents: In accordance with the requirements of California Government Code subdivision 60201(b)(2), the Novato Fire Protection Board of Directors hereby authorizes the destruction of any record not expressly required by law to be filed and preserved as long as such destruction complies with the “Consolidated Records Retention Schedule” attached hereto as Exhibit A, the standard protocol established by Section “800.8” of the Novato Fire District Policy Manual, and has been approved by the relevant Division Head on forms attached hereto and hereby approved as Exhibit B to this Resolution.

3. The Administrative Services Manager shall certify to the adoption of this Resolution.

RESOLUTION NO. 2019-5

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
NOVATO FIRE PROTECTION DISTRICT DECLARING THE BOARD’S INTENT TO
TRANSITION FROM AT-LARGE TO DISTRICT-BASED ELECTIONS, OUTLINING SPECIFIC
STEPS TO BE UNDERTAKEN TO FACILITATE THE TRANSITION AND ESTIMATING A
TIME FRAME FOR PROPOSED PUBLIC INPUT AND HEARINGS PRIOR TO ADOPTION OF
AN ORDINANCE PURSUANT TO ELECTIONS CODE SECTION 10010

WHEREAS, members of the Board of Directors of the Novato Fire Protection District
(“District”) are currently elected in “at-large” elections, in which each Director is elected by the registered
voters within the geographical boundaries of the entire District; and

WHEREAS, California Elections Code Section 10650 authorizes the governing body of a special
district to require the members of its governing body be elected using district-based elections; and

WHEREAS, in recent months, several local governmental agencies in Marin County have
adopted resolutions memorializing their intention to transition from at-large to district-based elections;
and

WHEREAS, some of these Marin local agencies have received certified letters from Kevin
Shenkman of the law firm Shenkman and Hughes asserting that their respective at-large electoral systems
violate the California Voting Rights Act (“CVRA”) and threatening litigation if the individual agency
recipients decline to voluntarily change to a district-based election system for electing members to each
governing body; and

WHEREAS, a violation of the CVRA is established if it is shown that racially polarized voting
occurs in elections (Elections Code 14028(a)). “Racially polarized voting” means voting in which there is
a difference in the choice of candidates or other electoral choices that are preferred by voters in a
protected class, and in the choice of candidates and electoral choices that are preferred by voters in the
rest of the electorate (Elections Code Section 14026(e)); and

WHEREAS, the District has not received a letter from Mr. Shenkman or any other prospective
CVRA plaintiff, and does not concede the existence of any CVRA violations under the District’s current
at-large system of elections, but the Board of Directors has considered the possibility of such a claim
given the lenient standards of proof that require only some evidence of “racially polarized voting” as
opposed to actual remediable racial injury, realizes that this law provides a ready and viable avenue for
prospective plaintiffs in California to challenge at-large voting systems, and has directed staff to initiate
the process to establish by-district elections to avoid costs associated with defending a lawsuit under the
CVRA, even if that lawsuit settles; and

WHEREAS, the California Legislature in amendments to Elections Code Section 10010 has
provided a series of “safe harbor” provisions whereby a jurisdiction can expeditiously transition to a by-
district election system and avoid the high cost of litigation under the CVRA; and

WHEREAS, the public interest would be better served by Board consideration of a proposal to
transition to a district-based electoral system because of 1) the extraordinary cost of defending against a
CVRA lawsuit; 2) the risk of losing such a potential lawsuit which would require the District to pay the
prevailing plaintiffs’ attorneys fees; and

WHEREAS, prior to the Board of Directors’ consideration of a resolution to establish district
boundaries for a district-based electoral system, California Elections Code Section 10010 requires all of
the following:
RESOLUTION NO. 2019-5

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
NOVATO FIRE PROTECTION DISTRICT DECLARING THE BOARD’S INTENT TO
TRANSITION FROM AT-LARGE TO DISTRICT-BASED ELECTIONS, OUTLINING SPECIFIC
STEPS TO BE UNDERTAKEN TO FACILITATE THE TRANSITION AND ESTIMATING A
TIME FRAME FOR PROPOSED PUBLIC INPUT AND HEARINGS PRIOR TO ADOPTION OF
AN ORDINANCE PURSUANT TO ELECTIONS CODE SECTION 10010

1. Prior to drawing a draft map or maps of the proposed boundaries of the districts, the District shall
hold at least two (2) public hearings over a period of no more than thirty (30) days, at which the
public will be invited to provide input regarding the composition of the districts;

2. After all draft maps are drawn, District shall publish and make available for release at least one
draft map and, if members of the Board of Directors will be elected in their Districts at different
times to provide for staggered terms of office, the potential sequence of the elections shall also be
provided. The Board of Directors shall also hold at least two (2) additional hearings over a period
of no more than forty-five (45) days, at which the public shall be invited to provide input
regarding the content of the draft map or maps and the proposed sequence of elections, if
applicable. The first version of a draft map shall be published at least seven (7) days before
consideration at a hearing. If a draft map is revised at or following a hearing, it shall be published
and made available to the public for at least seven (7) days before being adopted; and

WHEREAS, the District has retained an experienced demographer to assist the District in
developing a proposal for a district-based election system; and

WHEREAS, the adoption of a district-based elections system will not affect the terms of any
sitting Director, each of whom will serve out his current term.

NOW THEREFORE, IT IS HEREBY RESOLVED AS FOLLOWS:

SECTION 1. The Board of Directors hereby resolves to consider adoption of a resolution to
transition to a district-based election system as authorized by California Elections Code Section 10650 for
use in the November 3rd, 2020 Statewide General Election.

SECTION 2: The Board of Directors directs staff to work with the District’s legal representatives
and demographer and other appropriate consultants as needed to provide a detailed analysis of the
District’s current demographics and any other information or data as needed to prepare a draft map that
divides the District’s jurisdictional area into voting districts in a manner consistent with the intent and

SECTION 3: The District hereby approves the tentative timeline as set forth in Exhibit A,
attached hereto and made a part of this resolution by reference, for conducting a public process to solicit
public input and testimony on proposed district-based electoral maps before adopting any such map.

SECTION 4: The timeline set forth under Exhibit A may be adjusted by Fire Chief as deemed
necessary, provided that such adjustments shall not prevent District from complying with the time frames
specified under California Elections Code Section 10010.

SECTION 5: The Board of Directors directs staff to post information regarding the proposed
transition to a district-based election system, including maps, notices, agendas and other information and
to establish a means of communication to answer questions from the public.

WHEREAS, California Elections Code Section 10650 authorizes the governing body of a special district to require the members of its governing body be elected using district-based elections; and

WHEREAS, in recent months, several local governmental agencies in Marin County have adopted resolutions memorializing their intention to transition from at-large to district-based elections; and

WHEREAS, some of these Marin local agencies have received certified letters from Kevin Shenkman of the law firm Shenkman and Hughes asserting that their respective at-large electoral systems violate the California Voting Rights Act ("CVRA") and threatening litigation if the individual agency recipients decline to voluntarily change to a district-based election system for electing members to each governing body; and

WHEREAS, although the District submits that its election system has been in compliance with the requirements of the CVRA and all other provisions of law including the Federal Voting Rights Act and asserts that its election system has been and is legal in all respects, nevertheless, the Board of Directors ("Board") has determined that the public interest will be well-served by transitioning to a district-based election system, thereby avoiding the risks associated with maintaining its current at-large election process; and

WHEREAS, on May 1, 2019, the Board adopted a Resolution of Intent to transition to district-based elections, including a tentative timeline for the consideration and implementation of transitioning to a district-based election system; and

WHEREAS, the District retained Redistricting Partners, LLC ("Consultant") to assist the District with analyzing the District’s jurisdictional population, developing draft maps, and gathering input from residents on the proposed District boundary maps; and

WHEREAS, at public hearings held on May 22nd and June 5th, 2019, the District invited the public to provide input regarding the composition of the District’s voting districts before any draft maps were drawn, at which meetings the Consultant presented an overview of the transitioning process, and at which the Board discussed and considered the same; and

WHEREAS, the adoption of a district-based elections system will not affect the terms of any
sitting Director, each of whom will serve out his current term; and

WHEREAS, the District and the Board have satisfied all procedural requirements of Elections
Code Section 10010 in order to expeditiously transition to a by-district election system and avoid the

Citizens’ Oversight Committee participants will be residents who are neither elected officials of any government entity, nor public employees of any Member. Service on the Citizens’ Oversight Committee will be restricted to individuals who reside in Marin County. Participants on the Citizens’ Oversight Committee will be required to submit a statement of financial disclosure and participation will be restricted to individuals without economic interest in any of the Authority’s projects. a. The Board shall adopt an annual budget for the Authority’s activities within ninety (90) days of the date the Elections Office certifies the successful passage of the tax measure proposed concurrently with this Agreement to fund this Authority, and by June 1 of each succeeding year. In adopting the annual budget,
the Board must consider recommendations from the Operations Committee. The annual budget shall identify the programs of the Authority and allocate funds by program. The budget and accounting system shall account for direct and overhead costs by program. The Board shall allocate these costs for each program with the adoption of the annual budget. To the extent changes to the budget under California law require approval of more than a simple majority of Members, the population representation requirement of Section 4.f. shall not increase.

b. The core program functions of the Authority will be funded by 60% of the tax measure proceeds and will consist of, but not be limited to, vegetation management; wildfire detection; evacuation plans and alerts; grants; and public education. The Authority may allocate core funds to local wildfire prevention efforts, should the Board of Directors determine the core functions of the Authority are being served.

c. Defensible space and fire-resistant structure evaluations, and mitigation of fire threats thereof, will be funded by 20% of the tax measure proceeds and will be done on a shared service basis or by the responsible Member consistent with Section 10. Within the defensible space program, an Abatement program shall be created by the Authority, funded with 2% of the total tax measure proceeds. Funds from this Abatement program are retained by the Authority, notwithstanding a Member selecting to locally administer pursuant to Section 10. The Authority will only enforce a uniform abatement code. Litigation of abatements is the responsibility of the Member.

d. Local-specific wildfire prevention efforts will be funded by 20% of the tax measure proceeds and allocated to each Member in proportion to revenue raised in each Member’s respective tax rate areas. Members must certify that the tax measure proceeds are used consistent with the purpose of the Authority and that the tax measure expenses result in a higher level of service than would otherwise be provided by the Member.

e. An administrative cost of not more than 10% will be budgeted for each program, i.e. the core program functions and the Authority administered defensible space evaluation program. Should a Member locally administer the defensible space evaluations pursuant to Section 10, an administrative cost will not be withheld by the Authority for that program. The Board shall determine the methodology for calculating administrative costs.

f. In Fiscal Year 2025-26, 2030-31, 2035-36 and continuing every five years thereafter, the Board may alter the funding levels of the core program functions of subsection 9.b. and the defensible space evaluations from subsection 9.c. The local-specific wildfire prevention efforts of subsection 9.d. will remain funded by 20% of the tax measure proceeds. A vote to alter the funding levels pursuant to this section shall require two-thirds approval of Directors voting to alter the funding levels, while maintaining the over 50% of the population represented by the Member agencies requirement in accordance with the voting rules set forth in Section 4.f. Should the Board approve changes to the funding levels of the
programs, to provide adequate notice to Member agencies, those changes will not go into effect until two fiscal years after the changes were approved. For example, if funding levels of programs are altered during Fiscal Year 2025-26, those changes will not be implemented until the budget of Fiscal Year 2027-28.

SECTION 10. Option to Locally Administer the Section 5.b. Defensible Space Program

a. Should a Member choose to locally administer the Authority power set forth in Section 5.b., that member shall evaluate structures and defensible space so property owners can enhance compliance with fire and building codes through homeowner education and, as necessary, enforcement follow-up. The Member choosing to locally administer the powers in Section 5.b. must certify that the Member shall use the funds provided by the Authority exclusively to evaluate defensible space and to enhance compliance with structures and land meeting fire and building codes, and not for any other purpose. Tax measure proceeds will be allocated to Members choosing to locally administer in an amount approximately equal to each Member’s proportion of revenue raised in each Member’s respective tax rate areas, as determined by the Board. For those Members remaining in the defensible space program, the Authority will expend the tax measure proceeds in an amount approximately equal to each Member’s proportion of revenue raised in each Member’s respective tax rate areas. Additionally, the Authority shall be entitled to retain 2% of the overall tax measure proceeds for the Authority’s Abatement program, regardless of how many Members choose to exclusively manage their own defensible space program.

b. Eligibility for a Member to elect to locally administer the defensible space program shall be effective beginning in Fiscal Year 2027-28, 2032-33, 2037-38 and continuing every five years thereafter. A Member must provide notice that it elects to opt-out or rescind its opt-out election by October 31 for the next fiscal year beginning on July 1. A Member may opt-out of the defensible space program before May 30, 2020 by providing notice to the Authority. Members can only subsequently opt out during certain years as set forth above. A Member choosing to exclusively manage its own defensible space program may be responsible for a reasonable exit fee, as determined by the Authority. Members can opt-back-in at any time by providing notice that it elects to opt-back-in by October 31 for the next fiscal year beginning on July 1.

SECTION 11. Exemptions

The Authority shall be responsible for technical tax adjustments, consistent with the ballot measure. Whenever possible, the Authority must defer to reasonable requests from the Marin County Tax Collector to accommodate exemptions for parcels that are roads or creek beds, as wells as split parcels ineligible for an assessor parcel combination solely because the parcels are not in the same tax rate area.
SECTION 16. Termination; Disposition of Assets.

a. Should the tax measure to be placed on the ballot in March 2020 fail to pass or is subsequently repealed, this Agreement is terminated and shall be of no further effect upon certification of the election results.

b. In accordance with Government Code Section 6512, upon termination of this Agreement, any surplus money in possession of the Authority or on deposit in any fund or account of the Authority shall be returned in proportion to the contributions made by the tax payers of each Member’s jurisdiction. Any other property of the Authority shall be divided among the Members in such manner as shall be determined by the Authority in accordance with California law.

c. If the tax measure is rescinded, all decisions of the Board with regard to determination of amounts to be transferred to Members or any successor shall be final.

SECTION 17. Severability

If any provision of the Agreement or its application to any person or circumstances is held invalid, the remainder of this Agreement and the application of the provision to other persons or circumstances shall not be affected.

SECTION 18. No Rights to Third Parties

All of the terms, conditions, rights and duties provided for in the Agreement are, and shall always be, solely for the benefit of the Members. It is the intent of the Members that no third party shall ever be the intended beneficiary of any performance, duty or right created or required pursuant to the terms and conditions of this Agreement. Nothing in this Section shall be interpreted to preclude the work of the Authority being done on private land.

Notices to Members under this Agreement shall be sufficient if delivered to the City Clerk or chief secretarial officer of the Member, or to any other person designated in writing by the Member.

SECTION 20. Prohibition Against Assignment.

No Member may assign any right, claim, or interest it may have under this Agreement, and no creditor, assignee or third-party beneficiary of any Member shall have any right, claim or title to any part, share, interest or assets under this Agreement.

SECTION 21. Amendments

This Agreement may be amended at any time by one or more supplemental agreements executed by mutual agreement of three-fourths (3/4) of the governing boards of the Members, so long as any amendment comports with the purpose of the voter approved measure, as set forth in Section 1 of this Agreement.
SECTION 22. Agreement Complete

The foregoing constitutes the full and complete Agreement of the parties with respect to the subject matter hereof, and supersedes all prior understandings or agreements whether written or verbal. There are no oral understandings or agreement not set forth in writing herein. Any such agreements merge into this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their proper officers thereunder duly authorized as of the date of approval by the public agencies that are parties hereto. This Agreement shall be executed in counterparts.
